General Instrument Symbols

 1. Horizontal or Vertical Line	 2. Diagonal Line	Text 3. Text	 22. Programmable Logic Control Auxiliary Location	 23. Programmable Logic Control Auxiliary Location	 24. Indicating Light
 4. Discrete Instruments Primary Location	 5. Discrete Instruments Primary Location	 6. Discrete instruments Field Mounted	 25. Panel Mounted Patchboard Point	 26. Various Names	 27. Diaphragm Seal
 7. Discrete Instruments Auxiliary Location	 8. Discrete Instruments Auxiliary Location	 9. Shared Display or Control - Primary Location	 28. Undefined Signal	 29. Pneumatic Signal	 30. Electrical Signal
 10. Shared Display or Control - Primary Location	 11. Shared Display or Control - Field Mounted	 12. Shared Display or Control - Auxiliary Location	 31. Electrical Signal	 32. Hydraulic Signal	 33. Capillary Tube
 13. Shared Display or Control - Auxiliary Location	 14. Computer Function Primary Location	 15. Computer Function Primary Location	 34. Electromagnetic or Sonic Signal	 35. Internal System Link (Software or Data Link)	 36. Mechanical Link
 16. Computer Function Field Mounted	 17. Computer Function Auxiliary Location	 18. Computer Function Auxiliary Location	 37. Pneumatic Binary Signal	 38. Electric Binary Signal	 39. Electric Binary Signal
 19. Programmable Logic Control Primary Location	 20. Programmable Logic Control Primary Location	 21. Programmable Logic Control Field Mounted
